As owner or management agent for property being rented or leased within the City of Chardon for occupancy by a business, you are required to comply with Section 151.06 of the Codified Ordinances of the City of Chardon. This section requires that you supply to the City's Tax Administrator a list containing the name and address of each person occupying, renting, or leasing your property. The required list shall be prepared and submitted as soon as possible. A "PROPERTY OWNERS REPORT OF TENANTS" form has been included for your convenience. If your tenant information is stored electronically, it is not necessary to use the City form. Simply provide a copy of your list which must include the move-in date and the federal tax identification number, if available, for each business occupant.

As owner or management agent you are required to file with the Tax Administrator a report, within 30 days of occupancy, showing the name, federal tax identification number, and address of each new business that occupies your property. In addition, within 30 days after a business vacates your property, you are required to file with the Tax Administrator a report showing the date the business moved out.

We use the information you provide, to send correspondence to your tenant(s) regarding the municipal income tax in the City of Chardon. It is important for the businesses to receive this information as soon as possible after they move in, so that they avoid penalties and interest for late filings.

Thank you for your attention to this matter. If you have any questions or believe you have received this letter in error, please contact me at (440) 286-2696.

Respectfully,

Barbara L. Raikes
Income Tax Clerk
