Pickleball Instruction

If you want to have fun while learning to play Pickleball or if you want to improve your present skill set, this is the class for you. More than just the ABC's of the game; this class will teach you the essentials for players of any level or ability. Teaching will include footwork, positioning, strategy, etc. These drills work for beginners and medal winners. The goal is to spread the joy of learning and playing the fastest growing sport in America. The emphasis is on fun.
